ParentVUE

ParentVUE allows LOSD junior high or high school parents to see information about their students’ class work, attendance, and more.

Home Page

The home page shows all enrolled students attached to the parent or guardian, and a Navigation menu on the left side of the page.

➢ If you have multiple students, click a name on the Select Child row to choose one. The Navigation menu may change depending on which student is selected.

Messages

Click Messages on the Navigation menu.

The Messages page shows messages from the selected student’s school or teacher.
Calendar

Click Calendar on the Navigation menu.

The Calendar page shows the school calendar and teachers’ Grade Book assignments for the selected student.

- Use the month dropdown at the top of the calendar, or the arrows, to select a different month.
- Use the dropdowns below the student’s picture to filter which Grade Book assignments are visible.

Attendance

Click Attendance on the Navigation menu.

The Attendance page shows when the student was absent or tardy during the current school year. Click the links in the upper right to toggle between List View and Calendar View (List View is the default).

List View

- List View displays only those days on which the student was absent or tardy.
- Click a date to drill down to details about an absence.
Calendar View

➢ Use the month dropdown at the top of the calendar, or the arrows, to select a different month.
➢ Click an icon within a day to drill down to details about an absence.

Class Schedule

Click Class Schedule on the Navigation menu.

The Class Schedule page shows the selected student’s classes for the current school year.
➢ Click the links in the upper right to toggle between trimesters/semesters.
➢ Click a teacher’s name to send him or her an email.
Class Websites

Click Class Websites on the Navigation menu.

The Class Websites page shows information from teachers about the selected student’s classes for the current school year. Content will vary by class/teacher.

- Use the dropdown at the top of the page to select a class.
- Use the Topics links on the right to see different types of information.

Grade Book

Click Grade Book on the Navigation menu.

The Grade Book page shows the selected student’s class work for the current school year. The initial screen is a summary of the student’s classes.

- Click the links in the upper right to toggle between terms (trimesters or semesters).
- If the rightmost column shows “N/A,” either assignments have not been added to the teacher’s grade book, or the class is not set up to show overall grades yet.
- Click a Course Title to drill down to a list of assignments for that class during the selected term.
- Click a teacher’s name to send him or her an email.
Assignment View

- Use the dropdown at the top of the page to switch to a different class.
- Click the trimester/semester at the top of the page to get back to the initial summary page.

Report Card

Click Report Card on the Navigation menu.

The Report Card page shows grades that were posted to report cards or progress reports for the selected student.

- Click the links in the upper right to toggle between terms (trimesters or semesters).

Student Info

Click Student Info on the Navigation menu.
The Student Info page shows basic enrollment information about the selected student. Contact the school office if errors exist.

**Test History**

Click Test History on the Navigation menu.
