## ASVAB

The ASVAB career test for Juniors and Seniors is Friday, October 27th from 10-1pm at Lake Oswego High School.

The ASVAB is an excellent assessment that measures aptitudes and skills such as reading comprehension, arithmetic reasoning, mechanical comprehension and more. When the results are compiled, students will be able to identify several careers that seem consistent with their interests, abilities, and values.

The ASVAB is also the exam required for all individuals who are considering application to any branch of the armed services but there is NO commitment or obligation to the military for those who take this test...no information will be released to the military by the test administrators or school personnel.

The ASVAB is free! The student just needs to sign-up through their Naviance account.

Please contact Lisa Oliva in the Main Office or your student's Counselor for more info!
