Holiday Season Request

As the holiday seasons approach, we are asking families who are in a place to do so, to consider donating grocery store gift cards to Lakeridge High School. Our counseling department and administration will use the gift cards to help our Pacer families who are in financial need. If interested, we invite you to drop off the gift cards to Corey Fivecoat in the main office and we will provide you with a letter that you can use for tax purposes. Thank you in advance for considering this opportunity to help others. If your family is in need of extra help during the holidays please let your counselor know. #pacerlove

2017-18 AdvanED Accreditation for Lakeridge High School...Parent Help Needed

AdvancED is the largest community of education professionals in the world. They are a non-profit, non-partisan organization that conducts rigorous, on-site reviews of a variety of educational institutions and systems to ensure that all learners realize their full potential. In an effort to continue to bring your child the best education that prepares them for their postsecondary experience, Lakeridge will engage in a review with Advanced ED in March of 2018. As we prepare for this review we are asking staff, students and parents to complete surveys about their perceptions of the work being done here at Lakeridge. Please complete this short survey at your earliest convenience. We will be using this anonymous information to assess ourselves and provide feedback to our Advanced ED review team regarding our areas of strength and our areas of focused change. Thank you for helping us prepare for this external review.

What is MORP?

Date: January 6th

MORP (Prom spelled in reverse) is a winter semi-formal dance held in Portland at the Flex Space. This dance is where typically the girls ask a date to attend with them. All students are welcome to attend. It is perfectly acceptable to go in a large group with friends, without a date.

Tickets will be on sale in December but many students start making plans now so please be aware that your child may need some help navigating the difficulties of large group planning. If you have any questions or need help please email Liz Murphy (murphy1@loswego.k12.or.us) or Derek Abbott (abbottd@loswego.k12.or.us).
