NEW LHS Homepage : <https://www.losdschools.org/Domain/17>

ALL LHS Daily Schedules: <https://www.losdschools.org/domain/436>

Upcoming Dates

April 16 Special Schedule (2nd class starts at 9:25am)

School Safety Clinic

I would like to invite you to the Lakeridge High School School Safety Clinic to be held on April 11th at 7:00pm in the Rotunda. Parents and guardians will learn how the school is keeping their student safe through the programs and training school staff and students continually practice. Our goal is to ensure that you understand your role in the event of an emergency, how we train for emergencies, and how we communicate during emergencies.

The Lakeridge School Safety Clinic should last about an hour. There will be ample time for questions and answers. We have also invited School Resource Officer Bryan Sheldon and district office staff to be present.

If you have questions, please let me know. I look forward to seeing you on April 11th.

AP Computer Science

Lakeridge High School has an exciting opportunity to teach computer science to our students. Technology is transforming the world around us, and having a computer science education is key to our students being ready for the future job market. Did you know computer science majors can earn 40% more than the college average? Or that there are currently over 500,000 open computer science positions without qualified talent to fill them. We're trying to change that by partnering with TEALS (Technology Education and Literacy in Schools).

Action We're Taking

TEALS is a program supported by Microsoft Philanthropies that recruits, mentors, and places passionate technology professionals into high school classrooms as volunteer instructors. These volunteers bring subject matter expertise and will join our teacher in a team-teaching model. TEALS provides training for both parties as well as course outlines based on successful college courses.

As a TEALS partner school, Lakeridge High School needs to assist with volunteer recruitment from the computer science and software engineering fields to team-teach these courses with our teachers. Lakeridge High School would hold the courses first period to permit the volunteers to attend their regular jobs.

Please help --if you or someone you know works in the computer science or software engineering field and would be interested in making a difference in our students' future success, please do one of the following:

1. Attend the volunteer information session at Microsoft Portland (see invite below) (if you can)
2. Read more and apply at www.tealsk12.org/apply.
3. Contact Helen Henry (Helen@tealsk12.org) if you have TEALS questions if you have school-specific questions.

I am excited about this opportunity and look forward to working with some of you to build and grow our CS program.

2018 Variety Show

Don't miss the Lakeridge Company Variety Show "You Can't Stop The Beat," featuring Company, the Jazz Ensemble, and a very talented student tech crew! Tickets are available online, from the bookkeeper, or at the door. \$12 for adults. \$8 students and seniors. April 19, 20, 21 at 7:30pm, and April 21 at 2:00pm.

SAC Members Needed For Next Year

The Lakeridge School Advisory Committee (SAC) brings citizen input on the conduct of school affairs to the Lakeridge administration and staff. It also serves as a sounding board for proposed or current policies and activities at Lakeridge and provides information to parents of students, the Lake Oswego School Board and central administration. Participation on this committee involves a once/month meeting at Lakeridge and provides the following aspects between the school and the district:

- Liason role
- Communication
- Problem-solving
- School Board resource
- Facility/finance/safety
- Counsel to Principal
- Assessment of program and practices of schools
- Approval of School Budget

Applications are available at school and should be returned to Lakeridge's office by April 20th.

MUN Chaperones are Still Needed

We lost a couple chaperones and could use more! If you are available next weekend from Thursday April 12-Saturday April 14 please let Sarah Mock (mocks@loswego.k12.or.us) know. You will get your own hotel room and a great chance to see the students at work in a different setting.

Also MUN reminder -

We will meet April 12 at 5:30 AM in the lower gym. Students need to come to school dressed in their business attire.

All students and their parent must sign a code of conduct agreement before students leave. These can be picked up from one of the MUN boards in the lower B wing or D wing.

LOSD 2021

**Have an opinion about the
new Lakeridge Junior High?**

Tell us what you think.

**Come to our first
community design
workshop**

Match 89 - 3:57 pm
Match 106 - 5:56 pm

Saturday, April 7:

Match 113 - 9:45 am
Match 121 - 10:41 am

Sophomore and Junior Lakeridge Parents

Please join your Lakeridge counselors for a night of college planning facts and some fun! Lee Brown, Paula Emery, and Brent Prasnikar will present information about our Naviance computer program, the college selection process, and how to survive junior and senior year. This is an important informational session regardless of whether or not you are getting information or guidance from other sources. Our Naviance program is specific to Lakeridge and is a required part of the application process during the senior year. Becoming familiar with Naviance before senior year rolls around can be very helpful.

We look forward to seeing you and answering your questions regarding the college process at Lakeridge High School.

When: Tuesday, April 10, 2018 @ 6:30pm

Where: Lakeridge High School F Wing resource area

News from the Library

Senior Clearance is fast approaching. Notices were emailed to you and your students this week. These notices contain information regarding your students current checkouts, overdue books and/or unpaid fines due to Lakeridge HS or other Libraries in the district. All books and technology will be due before they can clear for graduation. Please ask your students to return all items they are no longer using, I am happy to checkout any books they may need for finals. It might be helpful to begin resolving any lost or damaged items now.

Please direct any questions to: Tammy Gustin at gustint@loswego.k12.or.us

Sign-ups for Senior Spaghetti Dinner

Senior Spaghetti Dinner, Sunday 4/29 @ 6PM in the cafeteria. This is the night where everyone connects with families from the past and present one last time, reminiscing our journey together from elementary to high school. This event is for Seniors and their parents only.

College and Career Corner

Seniors and Juniors College Visits

Juniors and seniors are welcome to visit with the college reps from the following colleges. Sign up in Naviance to reserve your place. Often, the college representative will be the same person who looks over your application, so it's great to get your foot in the door early!

Upcoming College Visits

<i>University of California, Santa Cruz</i>	<i>4/9/18 9:00 AM</i>
<i>Oregon Institute of Technology</i>	<i>4/17/18 1:10 PM</i>
<i>University of Nevada, Las Vegas</i>	<i>4/23/18 8:00 AM</i>
<i>Quest University Canada</i>	<i>4/25/18 11:40 AM</i>

2018 LAKE OSWEGO CRAFTS & ART LEAGUE - ART SCHOLARSHIP

This scholarship is open to art students who plan to enroll in art majors in Fall 2018. Up to \$8,000 will be awarded for tuition and supplies to the artist(s) whose work is selected.

Applicants must bring in three pieces of original work, prepared for display. Artwork need not be all the same medium. Deliver your work for jury on Saturday, May 5th, between 9 and 10:00 a.m. to Lakewood Center, [368 State Street, Lake Oswego](http://368StateStreetLakeOswego). Pick up your work the same day at 2:00 p.m. The online application form and more information is available at www.local14.org under Scholarship Program. Questions - Sandy Visse at visse@comcast.net or Mary Dennis at maryfdennis@yahoo.com

PORTLAND COMMUNITY COLLEGE - ON CAMPUS PREVIEW DAY

On Friday, April 6th, PCC will host an on campus Preview Day and WLHS will provide transportation to/from the event. At this event, you can learn about PCC's 100+ academic programs, transfer and dual enrollment options. Whether you're interested in a career-focused technical degree, earning credits before transferring to a four-year university or exploring your options, PCC might be the right choice for you! Tour the campus, learn about scholarships/financial aid and enjoy a free lunch! If you would like to attend, register at PCC.edu/preview.

PROVIDENCE SCHOOL OUTREACH - CAREER HIGHLIGHT

Each Career Highlight is a small, three hour class focusing on one specific health care career area. Learn what courses are relevant, salaries, job opportunities. The events are free but registration is required as space is limited. Registration began on 2/1 at:

<http://www.providenceoregon.org/schooloutreach>. Questions: Email Toyin Oyemaja at Toyin.Oyemaja@providence.org. Here are the March and April classes:

4/11 - Integrated Medicine

4/13 - Physical/Occupational Therapy and Speech Language Pathology

Microsoft DigiGirLz Portland 

Friday, April 20, 2018
8:30am-4:00pm
@ Mt. Hood Community College

Dream * Explore * Create

Join us for a day full of hands-on activities, college exploration and interacting with professionals in STEM. Learn to code, create a sales pitch and discover technology while meeting other like minded young women.

Open to students in grades 10-12
No tech experience necessary. Lunch provided.
Register at <https://aka.ms/2018PDXdigigirlz>
