3. **Principal's Report:**
 - School Board appointed Mike Musiak as interim Superintendent for Lake Oswego School District while a national search is conducted.
 - Performance Seminar Productions are this weekend
 - Feb 6th Basketball game the LOHS will induct 3 past graduated, 1 coach and 1 Cross Country team into the Hall of Fame
 - Finals are next week. Suggestion was made to have a day in between the last review day and 1st day of exams.
 - 9:00 start time for school during exams however buses will run at regular times
 - Smarter Balance testing will be in March. Changes this year – an opt out student will count as a zero on the test. This could significantly impact our school rankings. We will be encouraging and educating students and parents on the importance on taking these state mandated tests. There was discussion since juniors are already taking so many tests their junior year to include ACT and SAT that the state looks to have those test scores count for state mandated test. They are currently reviewing several options. Suggestion was to encourage the students “give back” to the district by taking this test that requires no special studying for.
 - Huge thank you to Jennifer Krenek for organizing ACS interviews
 - Parking will be available for all seniors next year. Discussions are still occurring for additional parking next
